Thank you for your approval for our Personal Automobile Rate filing # 06-0977.

After further review of this filing we found we did not give the base rate reduction to territories 32 & 65 that we had originally planned. In correcting this, the overall rate level effect is now -14.3%. Enclosed are revised Filing Forms and rate pages that reflect this change.

**Rule of Application: The corrected rates will be applicable to new business policies effective on or after July 31, 2006 and renewal policies effective on or after September 7, 2006, which were the effective dates of the original filing.**

We apologize for any inconvenience this may have caused.

Your favorable approval will be appreciated.
